

## The Heritage Collection

1970s DAF Coach

**Make :** DAF/ Plaxton

**Capacity:** 50 seats

Small, yet perfectly formed and a real favourite from yesteryear. We lavish plenty of TLC on this little fella which sports the 1970s original livery of Staines Crusader Coaches.

The vehicle is fully operational, maintained to the highest standards and available for hire. It is a particular favourite for local tours as well as special events, weddings and birthday treats.

Please note: this vehicle does not have fitted seat belts.
