Our **SETRA 415 HD** (48 seats) and **Setra 416 GT-HD** (49 or 53 seats) vehicles have been especially selected for their host of additional safety features as well as their smoothness of ride and high levels of quality and comfort.

Built to exacting specifications and maintained to the highest standards, these vehicles have anti-lock brakes and the Setra 416 GT-HD also has an ESP stability control system.

*SETRA 416 also includes GPS vehicle location display, so you can monitor the progress of your journey.
